

BREAKTHROUGH TEAM COMMUNICATIONS

DESCRIPTION

Teams cannot work efficiently or effectively if they cannot communicate together properly. Communication is the life blood of a team, and most of us take it for granted. Lack of effective communication can and does cause teams to disintegrate, and unnecessary problems to occur.

This is a 2-day course that shows you, through team exercises, video-recording and constructive feedback, how to:

- Understand the importance of intent and expectations
- Communicate simply and effectively in teams
- Listen actively
- Ensure that the team quickly starts to perform successfully

OUTLINE

- Introduction to the team dynamics
- How to constructively communicate
- The part listening plays
- Team Building

BENEFITS

Quickly builds a cohesive and efficient team

Provides team members with successful communication skills

Allows team members to continue to work together after the workshop
