Our trainers are certified by PMI to train this course and have been training Project Managers to be certified for the past 15 years. We use the **certified licensed PMI training material** which we have amplified. Our material complements the PMI material in order to deliver an experience which is totally aligned with the reality of the day-to-day challenges of Project Management.

We provide a highly **personalised service**. Our team does everything to ensure that you or your colleagues **pass the exam**, and that you have a **good experience** doing so.
