

# Anyone can speak! - Keynote

## DESCRIPTION

A 45-60 minute keynote presentation that highlights the necessity of communication and connection to influence an audience to take action and move forward. Attendees will come to understand the speaking skills essential for every leader, how to connect with others and keep them engaged, the power of stories, and why it is important for leaders to continue to develop their speaking skills.

## OUTLINE

Together we will answer the following questions:

- How do we **learn**?
- What does has the **most influence** in communication?
- Are there **natural speakers**?
- How the **keynotes of the world's best speakers** are build?
- What keeps my **audience on the edge of their seat**?

In this 45-60 minutes interactive session we will work through **4 exercises** that will illustrate the points shared.

## BENEFITS

At the conclusion of the training you will:

- Understand how we **learn new skills**
- Identify what makes a **world-class speech**
- Work out how to have **more influence** in public speaking
- What makes our **audience stay on the edge of their seat**
